Using containers for reproducible results

Tuesday, 15 October 2019 14:40 (20 minutes)

This talk will show how we're using containers at ECMWF in several web developments, in order to achieve a reasonably reproducible workflow from development to production.

Primary authors: VALIENTE, Carlos (ECMWF); MARTINS, Manuel (ECMWF)

Co-author: HERMIDA MERA, Marcos

Presenter: VALIENTE, Carlos (ECMWF)

Track Classification: Workshop: Building reproducible workflows for earth sciences
