

The strength of a common goal

Anomaly correlation of 500 hPa geopotential

500hPa geopotential
Anomaly correlation
NHem Extratropics (lat 20.0 to 90.0, lon -180.0 to 180.0)

- CMC
- JMA
- UKMO
- ECMWF
- ECMWF
- ERA5
- KMA
- NCEP
- DWD

Nathaniel Comfort @nccomfort · 11 oct.

Yes, I am anti-scientism.

Scientism = science + hubris.

Scientism = science + arrogance.

Scientism = science + vanity.

Scientism = science + cruelty.

Scientism = science + ignorance.

Scientism, in other words, is science plus something shitty.

How science has shifted our sense of identity

Biological advances have repeatedly changed who we think we are.
