

Workshop: Stratospheric predictability and impact on the troposphere

Tuesday, 19 November 2019

Session 4 : Trace gases, ozone, Brewer-Dobson circulation (16:30 - 18:00)

-Conveners: Robin Hogan

| time | [id] title | presenter |
|-------|---|---------------|
| 16:30 | [9] Remote presentation: Future trends in stratosphere-to-troposphere transport in CCMI models | ABALOS, Marta |
| 17:00 | [7] Remote presentation: Trace Gas Transport in the Stratosphere: Opportunities and Challenges | GERBER, Edwin |
| 17:30 | [4] Chemical, radiative and dynamics interactions in the stratosphere using a hierarchy of models | MING, Alison |
