

Workshop: Stratospheric predictability and impact on the troposphere

Monday, 18 November 2019

Session 1 : Introductory / motivating talks (13:30 - 15:00)

-Conveners: Nils Wedi

time	[id] title	presenter
13:30	[22] Importance of the stratosphere for extended-range prediction	Prof. SHEPHERD, Ted
14:15	[2] The representation of stratosphere-troposphere coupling in S2S models	Dr BUTLER, Amy
