## **DKRZ site news: The new system**

*Wednesday, 22 September 2021 09:50 (20 minutes)*

I will present the new HPC and HSM systems at DKRZ which will go into operation mid 2021 and end of 2020 respectively.

Special focus will lie on the Cooperation between Bull/ATOS and DKRZ to evaluate the potential of GPGPUs for the second phase of the new system.
