

Virtual Event: ECMWF-ESA Workshop on Machine Learning for Earth System Observation and Prediction

Monday, 5 October 2020

Session 2: ML for Earth System Observations (14:00 - 15:30)

-Conveners: Bertrand Le Saux

time	[id] title	presenter
14:00	[56] The Rise of AI for EO	MATHIEU, Pierre-Philippe
14:30	[37] Leveraging Modern AI/ML Techniques in NWP Including Data Fusion/Assimilation	BOUKABARA, Sid
15:00	[65] Exploring the Frontiers of Deep Learning for Earth System Observation and Prediction	HALL, David
