

Virtual Event: ECMWF-ESA Workshop on Machine Learning for Earth System Observation and Prediction

Tuesday, 6 October 2020

Session 3 (cont.) and Session 4: ML for Data Assimilation and ML for Product Development (16:00 - 18:00)

-Conveners: Marcin Chrust

time	[id] title	presenter
16:00	[74] Bayesian Deep Learning for Data Assimilation	Prof. VAN LEEUWEN, Peter Jan
16:30	[63] Machine Learning for Applied Weather Prediction	Dr HAUPT, Sue Ellen
17:00	[75] Deep Unsupervised Learning for Climate Informatics	MONTELEONI, Claire
17:30	[42] Deep Learning for Post-Processing Ensemble Weather Forecasts	DRYDEN, Nikoli
