Virtual Event: ECMWF-ESA Workshop on Machine Learning for Earth System Observation and Prediction

Wednesday, 7 October 2020

Session 4 (cont.): ML for Product Development **(09:00 - 10:30)**

  -Conveners: Bertrand Le Saux

time	[id] title	presenter
09:00	[11] Automatic detection of weather events in high-resolution NWP outputs	RAYNAUD, Laure
09:30	[13] Machine learning at ECMWF	Dr DUEBEN, Peter
10:00	[35] Probabilistic Deep Learning for Postprocessing Wind Forecasts in Complex Terrain	Mr NERINI, Daniele
