Joint ECMWF/OceanPredict workshop on Advances in Ocean Data Assimilation

Monday, 17 May 2021

Theme 4: Machine learning in data assimilation (16:00 - 21:40)

   -**Conveners: Arthur Vidard; Marcin Chrust**

time	[id] title	presenter
16:00	[68] Invited talk: Learning from earth system observations: machine learning or data assimilation?	GEER, Alan
16:30	[28] Invited talk: Data Learning: Integrating Data Assimilation and Machine Learning	ARCUCCI, Rossella
17:00	[94] Discussion	
17:10	[73] Ice breaker and catch-up with the speakers
