European Centre for Medium-Range Weather Forecasts (ECMWF)

ECMWF is an international organisation with

- 23 Member States
- 12 Cooperating States

ECMWF's role is to address the critical and most difficult research problems in medium-range NWP that no one country could tackle on its own

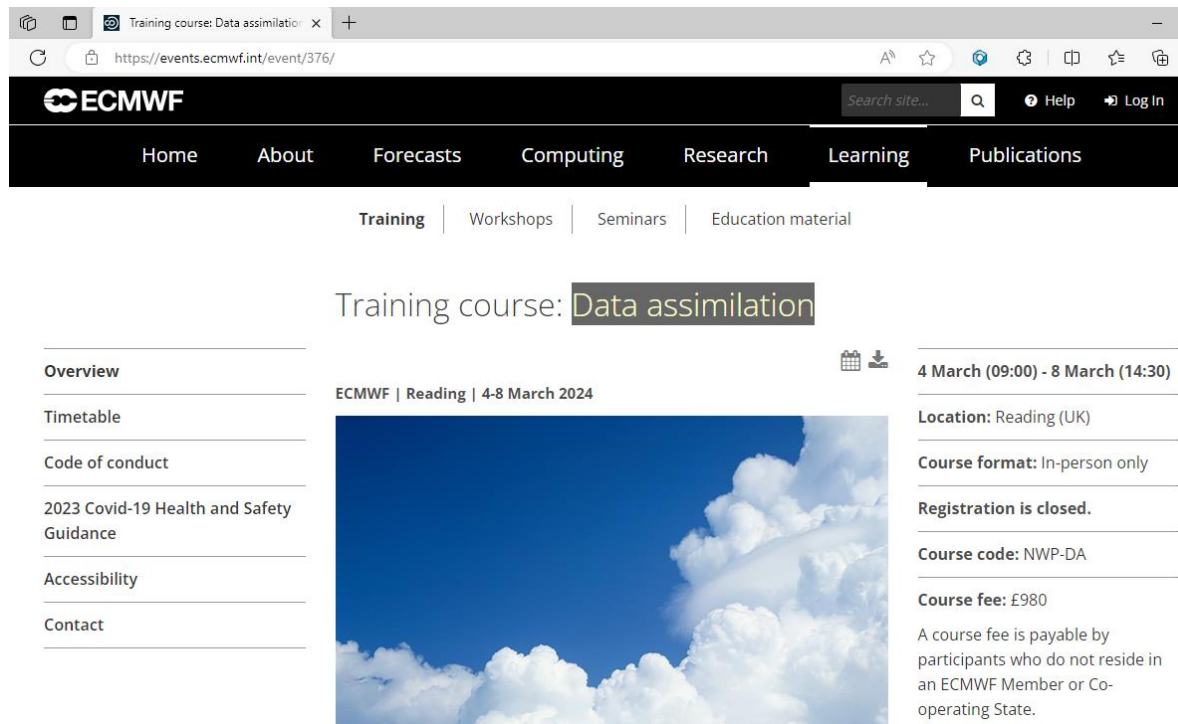

Three sites in UK, Italy and Germany

- Both research institute & 24/7 operational centre
- Established in 1975
- Advanced training = one of ECMWF strategic activities

NWP training course: Data Assimilation

The screenshot shows the ECMWF website interface. At the top, there is a navigation bar with the ECMWF logo and a search bar. Below the navigation bar, there are several menu items: Home, About, Forecasts, Computing, Research, Learning, and Publications. The 'Learning' menu is expanded, showing sub-items: Training, Workshops, Seminars, and Education material. The main content area features a heading 'Training course: Data assimilation' with a calendar icon and a download icon. Below the heading, there is a list of course details: 'ECMWF | Reading | 4-8 March 2024', '4 March (09:00) - 8 March (14:30)', 'Location: Reading (UK)', 'Course format: In-person only', 'Registration is closed.', 'Course code: NWP-DA', and 'Course fee: £980'. A note states: 'A course fee is payable by participants who do not reside in an ECMWF Member or Co-operating State.' On the left side, there is a sidebar with a list of links: Overview, Timetable, Code of conduct, 2023 Covid-19 Health and Safety Guidance, Accessibility, and Contact. The background of the page features a blue sky with white clouds.

The image shows a certificate from the ECMWF Training Course. The certificate is titled 'Training Course' and is intended to certify that the holder participated in the 'Data Assimilation' course. The course was held at ECMWF on 4 – 8 March 2024. The certificate notes that the course consisted of 25 hours of lectures and practical extensions. The certificate is signed by Andrew Brown, Director of Research, on 8 March 2024. The ECMWF logo is visible in the top right corner, and the text 'TRAINING COURSE' is written vertically on the left side. The background of the certificate features a blue sky with white clouds.
